- Third party websites and content.
- Privacy policy.

INTRODUCTION

This guide has all the necessary information you need to know about navigating ShopMore. How to get the best results and enjoy our website without hitches.

REGISTERING AN ACCOUNT

We have authenticated and unauthenticated users.

To be an authenticated user, you have to register an account with us and this will give you access to certain features and services on our website.

Some of those features include access to:

- Check out reviews of your desired products.
- Follow up product search with a direct link to the site of purchase.
- Give your feedback on the products you have experience with on the website.

Unauthenticated users do not get full access to our website and they get limited information when navigating the website.

OVERVIEW AND NEWSLETTER

After registering an account and logging in as a user to our website, you come across our home page which gives an overview of our website and all it entails.
